Subject: Gunnison Copper UIC conference call with Excelsior and ADEQ of May 11, 2017

Hi Kate and Nancy,

Below is a summary of my notes on the conference call on May 11. The discussion centered on questions that Excelsior presented about the EPA technical review comments on the Excelsior responses to the previous EPA technical comments on the permit application and the next steps for Excelsior and EPA to take in preparation for drafting a permit for the Gunnison ISR copper project. Excelsior had questions on specific comments in the EPA review document as follows:

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

Excelsior requested the next conference call be held at 10 am PDT on May 25, to which all participants agreed.

Nancy and David: Please add or correct my summary if I have omitted or mischaracterized any part of the discussion and action items decided during the call.

Thanks,

Jim
